

Do You Know The
Truth About Jesus?

Jesus is often touted as the Prince of Peace. But, what do you really know about Jesus Christ?

L. Ron Hubbard had a few enlightening things to say on Jesus Christ:

“For those of you whose Christian toes I may have stepped on, let me take the opportunity to disabuse you of some lovely myths. For instance, the historic Jesus was not nearly the sainted figure has been made out to be. In addition to being a lover of young boys and men, he was given to uncontrollable bursts of temper and hatred that belied the general message of love, understanding and other typical Marcab PR. You have only to look at the history his teachings inspired to see where it all inevitably leads. It is historic fact and yet man still clings to the ideal, so deep and insidious is the biologic implanting.”
